Annual Report of the Placement Cell

2018-2022

The Placement cell is established with the objective of introducing the pass outs with different placement possibilities. The cell recommends the bright pass outs to the private schools of high repute. The cell arranges informal interactive meetings of the well adjusted Alumni with fresh pass outs. These teachers are guided and advised by the Alumni members who act as link between them and society for appropriate placement possibilities.

As the B.Ed. students are less during these academic years, we could not conduct campus placement drives. But we gathered the information about job vacancies and encourage and refer them to get the jobs after completion of their B.Ed. Course.
