Waste Management Practices

- **Waste Segregation:** The institution encouraging the students and staff to actively participate in waste segregation. By separating waste into categories such as paper, plastic, metal, and organic waste, can ensure that each type of waste is handled appropriately, minimizing the negative impact on the environment.
- **Vermi Compost :** Setting up a composting system for organic waste provides an excellent opportunity for students to learn about the environmental benefits of composting. Through hands-on experiences, students can witness firsthand how organic waste can be transformed into nutrient-rich compost, which can then be used to nourish plants and gardens within the college premises. The students actively participate in maintaining composting system.
- **E Waste management:** Electronic waste refers to anything that cannot be reused and is only good for discarding. It includes broken computer peripherals, cds, dvds that have been replaced with newer models. Best solution for this is disposal of materials in scientific way. Our college regularly monitors the E Waste disposal in proper way.

M. R. R. R.
Principal
R.V.R.R. College of Education
Guntur-522 006, A.P. India

Rayapati Venkata Rangarao College of Education: :Guntur

Percentage of income on Green initiatives & Waste management:

Every year, our institution undertakes the responsible disposal of various types of waste, including old papers, computer waste, and other scrap materials. This initiative ensures that we maintain a clean and sustainable environment within the college. By properly managing and recycling these materials, we contribute to environmental conservation and resource efficiency.

The income from scrap is given below:

Green Initiatives and Waste management income During last five years

S.NO	YEAR	Income in Rs..
1.	2018-19	3,100/-
2.	2019-20	8,280/-
3.	2020-21	98,200/-
4.	2021-22	95,500/-
5.	2022-23	35,610/-
